MEMORANDUM FOR: Assistant Director for Personnel

SUBJECT: Nomination for Membership  
CIA Incentive Awards CommitteeREFERENCE: Memorandum from Assistant Director for Personnel  
to Acting Deputy Director (Administration) dated  
5 August 1954, in re: Subject above.

1. In reply to your referenced memorandum, this office wishes to propose the nomination of Mr. [REDACTED] Chief, Supply Division, Logistics Office, for a position as rotating member of the Agency Incentive Awards Committee, vice Mr. [REDACTED] of the same office, whose term has expired.

2. Active consideration was given to your proposal that Mr. [REDACTED] Jr., a member of this staff, be selected to replace Mr. [REDACTED] but it is my feeling that since a substantial number of the suggestions being made under the Incentive Awards Program are concerned with logistics matters, it is for the present more appropriate that this field of interest be represented.

3. If you concur in the above action, may I suggest that Proposed Notice, [REDACTED] be rewritten to reflect the change, and submitted directly by you to Chief, Regulations Control Staff.

LAWRENCE R. HOUSTON  
Acting Deputy Director  
(Administration)
